

**Cuyahoga Falls Chamber of Commerce Foundation**  
**2023 Scholarship Application**  
**Scholarship Criteria and Deadlines**

Cuyahoga Falls Chamber of Commerce Foundation is committed to providing opportunities for our community members. An integral part of the Chamber's mission is to provide connections and programs that invest in the future of our community and contribute to the overall economic prosperity of Cuyahoga Falls. In 2023, the Scholarship program has been modified to meet the needs of community employers and graduation and returning students. Applicants must be graduating seniors or returning students who meet the following criteria.

- 1) One of the following:
  - A graduating senior or returning student who is a student or graduate of a school that serves the City of Cuyahoga Falls
  - Is a student of any Six District Educational Compact Program
  - Is a resident of Cuyahoga Falls
  - Is employed by a Cuyahoga Falls employer
  - Is a relative of a current Chamber member or is a current employee of a Chamber member.
  
- 2) Applicants must be pursuing one of the following career paths:
  - Pursuing a technical degree or certification from a vocational school or college
  - Continuing certification to enhance skills and career goals

Application must be fully completed and returned to the Cuyahoga Falls Chamber of Commerce by **March 17, 2023**. Applications that are not complete will not be eligible for a scholarship.

Applicants must be available for an interview with the Scholarship Committee between March **22-29, 2023**. Interviews will be scheduled with as much flexibility as possible to accommodate schedules.

The Chamber's Scholarship Committee will review applications in the following areas: student desire, goals, grades, financial need, school and community activities, outside interests, and teacher or employer recommendation.

All Scholarship awards will be paid directly to the continuing education entity and must be used for tuition, books, equipment, and other education related expenses. The scholarship is non-renewable. Further details regarding the process requirements will be provided to the awardees at the time of the formal notification of the award.

To apply, click the application link on this page.
