SCHOLARSHIPS NOW AVAILABLE ONLY TO RETURNING AND TECHNICAL STUDENTS

**CUYAHOGA FALLS, OH – FOR IMMEDIATE RELEASE** – The Cuyahoga Falls Chamber of Commerce Foundation is pleased to announce that its 2023 scholarship is now available only to students planning to attend two-year degree programs and career and technical programs. Eligible applicants include those who are current high school seniors as well as returning students—individuals who received their high school diploma or GED equivalent prior to 2022.

The overwhelming majority of scholarship programs, local and otherwise, are open only to current high-school seniors seeking a four-year degree. Opportunities for students who have previously graduated or who are exploring two-year degree or career and technical programs are severely limited. The Chamber has instituted these changes in the scholarship criteria to fill that gap and reflect both the changing needs of students and the business community.

“The Cuyahoga Falls Chamber of Commerce remains committed to providing opportunities for our community members. An integral part of the Chamber’s mission is to provide connections and programs that invest in the future of our community and contribute to the overall economic prosperity of Cuyahoga Falls. This change to the scholarship program is a direct reflection of that mission and an investment in our community,” stated Kamelia Fisher, Executive Director.

The deadline to apply for the scholarship is March 17, 2023.
